SAMPLE FRAUD POLICY

BACKGROUND

The corporate fraud policy is established to facilitate the development of controls which will aid in the detection and prevention of fraud against ABC Corporation. It is the intent of ABC Corporation to promote consistent organizational behavior by providing guidelines and assigning responsibility for the development of controls and conduct of investigations.

SCOPE OF POLICY

This policy applies to any fraud, or suspected fraud, involving employees as well as shareholders, consultants, vendors, contractors, outside agencies doing business with employees of such agencies, and/or any other parties with a business relationship with ABC Corporation (also called the Company).

Any investigative activity required will be conducted without regard to the suspected wrongdoer’s length of service, position/title, or relationship to the Company.

POLICY

Management is responsible for the detection and prevention of fraud, misappropriations, and other inappropriate conduct. Fraud is defined as the intentional, false representation or concealment of a material fact for the purpose of inducing another to act upon it to his or her injury. Each member of the management team will be familiar with the types of improprieties that might occur within his or her area of responsibility, and be alert for any indication of irregularity.

Any fraud that is detected or suspected must be reported immediately to ________________________, who coordinates all investigations with the Legal Department and other affected areas, both internal and external.
